PREPARE, RESPOND, RECOVER!

2016 S³ SUMMIT

Prepare, Respond, Recover! is a two-day Strengthening School Safety (S³) Summit for district and school administrators, office managers, school safety staff and community partners. Participants will learn best and promising practices to prepare, respond, and recover from threats to school safety.

Multiple workshops and keynotes will be offered, including:

- Social Media: Prepare, Respond, Recover
- Restraint and Isolation
- School Resource Officers: Roles & Reality
- Continuing Operations Plans
- Overview of School Safety Laws
- Active Shooter Table Top
- Prepare, Respond, Recover! Sessions on Bomb Threats and Oil Spills
- How to Score 100% on RAS (WSRMP)

Participants will be guided through steps to update Emergency Operations Plans during each session. Public and private schools are welcome.
